

NORTHAMPTON MODEL AERO CLUB

2011 COMPETITION RESULTS

Event 7 –CHUCK GLIDER

Sunday 2nd October 2011

A good turnout for this event resulted in an enjoyable competition. The results were based on each competitors best time from three flights.

!7 competitors including 4 guests gathered at the far end of the field to commit to aviation. For once the championship leader did not win and Graham was only able to achieve minimum points. Winner was Lewis Bricknell with an outstanding flight that disappeared behind the hut, followed by guest Gary Bricknell and Roy Bricknell. A dominant performance by the Bricknell family!

Other notable performances were by Dave Parker (3rd) and Dawn his wife who won the *Coupe de Dame*. Roger Brown proved to us that Vintage models (his description) fly better than modern designs by entering both types and achieving his best result with the former. Tony Southgate managed three times with three different models after his hi tech glider clapped hands.

Congratulations also to Peter Butler who finished a very competitive 4th, flying in his usual relaxed fashion.

It was good to see the youngsters taking part so well done James and Kyle Tosh and Adam and Ben Macgregor.

Finally many thanks to John Cross for keeping an eye on me, I think I've got the buttons sorted out now John!

Members Results

1 st Lewis Bricknell	17.98 seconds	8 points
2 nd Roy Bricknell	11.41 seconds	6 points
3 rd Dave Parker	10.97 seconds	5 points
4 th Peter Butler	7.35 seconds	5 points
