

Nothampton Model Aero Club

“Limbo Flying” Competition 17th August 2008. Starting at 11:00 am

COMPETITION A sets of poles, spaced 20 meters apart with a red and white plastic tape strung between them.

The competitor will take off and fly under the tape as many times as possible in the 2 minutes of allocated flying time.

The allocated time includes the take off.

The set of poles will be behind the model on take off.

The winner will be the competitor completing the most passes under the tape.

There is 1 point given for entering the competition.
